

Procedure - Prohibition of Harassment, Intimidation and Bullying of Students

A. Introduction

The Wenatchee School District strives to provide students with optimal conditions for learning by maintaining a school environment where every student is treated with respect and students are not physically or emotionally harmed.

In order to ensure respect, prevent harm, and improve school climate, it is a violation of district policy for a student to be harassed, intimidated, or bullied by other students in the school community, at school-sponsored events, or when such actions create a substantial disruption to the educational process. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, gender expression, gender identity, mental or physical disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation, or bullying of a student or to whom such actions have been reported must take prompt and appropriate action to stop the harassment, intimidation, or bullying, prevent its recurrence, and report it to the building level administrator and/or district HIB Compliance Officer.

B. Definitions

Aggressor means a student who harasses, intimidates, or bullies another student.

Harassment, intimidation, or bullying means an intentional electronic, written, verbal, or physical act that:

1. Physically harms a student or damages the student's property;
2. Has the effect of substantially interfering with a student's education;
3. Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
4. Has the effect of substantially disrupting the orderly operation of the school.

Conduct that is "substantially interfering with a student's education" will be determined by considering a targeted student's grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators.

Conduct that may rise to the level of harassment, intimidation, or bullying may take many forms, including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, ostracism, physical attacks or threats, gestures, or acts relating to an individual or group whether electronic, written, oral, or physically transmitted messages or images. There is no requirement that the targeted student actually possess the characteristic that is the basis for the harassment, intimidation, or bullying.

This procedure does not govern harassment, intimidation, or bullying toward or by an employee, volunteer, parent/legal guardian, or community member.

Retaliation occurs when a student is intimidated, threatened, coerced, or discriminated against for reporting harassment, intimidation, or bullying, participating in an investigation, or being identified as a targeted student.

Staff includes, but is not limited to, educators, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, athletic coaches, advisors to extracurricular activities, classified staff, substitute and temporary teachers, volunteers, or paraprofessionals (both employees and contractors).

Targeted Student means a student against whom harassment, intimidation, or bullying has allegedly been perpetrated.

Complainant means the person who has reported the harassment, intimidation, or bullying.

C. **Behaviors/Expressions**

“Harassment,” “intimidation,” and “bullying” are separate but related behaviors directed toward students. Although this procedure defines the three behaviors, this differentiation should not be considered part of the legal definition of these behaviors. RCW 28A.600.477 presents HIB as a broad and inclusive term and it is not meant to place undue emphasis on whether the behavior is “harassment,” or “intimidation,” or “bullying.”

Harassment refers to any malicious act, which causes harm to any student’s physical well being. It can be discriminatory harassment, malicious harassment, or sexual harassment. Intimidation refers to implied or overt threats of physical violence toward a student. Bullying refers to unwanted aggressive behavior(s) by a student or group of students toward another student and that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. Bullying may inflict harm on the targeted student including physical or educational harm. Bullying can also occur through technology and is called electronic bullying or cyberbullying.

It is considered a violation of the state HIB law if any of the above behaviors are occurring.

D. **Relationship to Other Laws**

This procedure applies only to conduct toward students as reflected in RCW 28A.600.477 – Prohibition of Harassment, Intimidation and Bullying. There are other laws and procedures to address related issues such as sexual harassment or discrimination.

At least four Washington laws may apply to harassment or discrimination:

1. RCW 28A.600.477 – Prohibition Harassment, Intimidation and Bullying

2. [RCW 28A.640.020 – Sexual Equality](#)
3. [RCW 28A.642 – Prohibition of Discrimination in Public Schools](#)
4. [RCW 49.60.010 – The Law Against Discrimination](#)

The district will ensure its compliance with all state laws regarding harassment, intimidation, or bullying of a student. Nothing in this procedure prevents a student, parent/guardian, school or district from taking action to remediate harassment or discrimination based on a student’s membership in a legally protected class under local, state, or federal law.

E. **Prevention**

1. **Dissemination**

In each school and on the district’s website, the district will prominently post information, as provided by OSPI, on reporting harassment, intimidation, or bullying; the name and contact information for making a report to a school administrator; and the name and contact information for the district HIB Compliance Officer. The district’s policy and procedure will be available in each school in a language that families can understand.

Additional distribution of the policy and procedure is subject to the requirements of chapter 392-405 WAC.

2. Annually, the superintendent will ensure that language provided by OSPI summarizing the policy and procedure is provided in student, staff, volunteer, and parent handbooks, is available in school and district offices and/or hallways, and is posted on the district’s website.

3. **Education**

Annually, students will receive age-appropriate information on the recognition and prevention of harassment, intimidation, or bullying at student orientation sessions and on other appropriate occasions. The information will include a copy of the Incident Reporting Form or a link to a web-based process.

4. **Training**

The district HIB Compliance Officer will participate in at least one mandatory training opportunity offered by OSPI. As feasible, the district’s HIB Compliance Officer will attend annual training as a refresher course, particularly in the event that changes to the HIB law or process occur. Staff will receive annual training on the school district’s policy and procedure, including at a minimum, staff roles and responsibilities, and the use of the district’s Incident Reporting Form.

5. **Prevention Strategies**

The district will implement a range of prevention strategies including individual, classroom, school, and district-level approaches.

Whenever possible, the district will implement evidence-based prevention programs that are designed to increase social competency, improve school climate, and eliminate harassment, intimidation, and bullying in schools.

F. **Compliance Officer**

The district compliance officer will:

1. Serve as the district's primary contact for harassment, intimidation, or bullying of a student. If any district staff member receives allegations in a written report of harassment, intimidation, or bullying that indicate a potential violation of Policy 3207, that staff member must promptly notify the district compliance officer;
2. Provide support and assistance to the principal or designee in resolving complaints;
3. Receive copies of all Incident Reporting Forms, discipline Referral Forms, and letters to parents providing the outcomes of investigations;
4. Communicate with the school district's designated civil rights compliance coordinator. If a written report of harassment, intimidation, or bullying of a student indicates a potential violation of the district's nondiscrimination policy [Policy 3210], or if during the course of an investigation, the district becomes aware of a potential violation of the district's nondiscrimination policy, the compliance officer must promptly notify the district's civil rights compliance coordinator. At that time, the compliance officers must promptly notify the complainant that their complaint will proceed under both this policy/procedure and the nondiscrimination policy/procedure. The investigation and response timeline for the nondiscrimination procedure begin when the school district knows or should have known that a written report or investigation or harassment, intimidation, or bullying involves a potential violation of the district's nondiscrimination policy;
5. Be familiar with the use of the student information system. The compliance officer may use this information to identify patterns of behavior and areas of concern;
6. Ensure implementation of the policy and procedure by overseeing the investigative processes, including ensuring that investigations are prompt, impartial, and thorough;
7. Assess the training needs of staff and students to ensure successful implementation throughout the district, and ensure staff receive annual training;
8. Provide the OSPI School Safety Center with notification of policy or procedure updates or changes on an annual basis; and
9. In cases where, despite school efforts, a targeted student experiences harassment, intimidation, or bullying that threatens the student's health and safety, the compliance officer will facilitate a meeting between district staff and the child's parents/guardians to develop a safety plan to protect the student. A sample student safety plan is available on the OSPI website:
www.k12.wa.us/SafetyCenter/default.aspx.
10. The district will provide updated names and contact information to OSPI after a change of the district's HIB Compliance Officer.

G. Staff Intervention

All staff members will intervene and report when witnessing or receiving reports of harassment, intimidation, or bullying of a student. Incidents that do not meet the definition of harassment, intimidation, or bullying, or conduct not directed toward a student may require no further action under this procedure, other than tracking, to ensure they are not repeated.

H. **Filing an Incident Reporting Form**

Incident Reporting Forms may be used by students, families, or staff to report incidents of harassment, intimidation or bullying of a student. A sample form is provided on the Office of Superintendent of Public Instruction's (OSPI) School Safety Center website: www.k12.wa.us/SafetyCenter/BullyingHarassment/default.aspx

Any student or students who believe they have been the target of unresolved, severe, or persistent harassment, intimidation, or bullying, or any other person in the school community who observes or receives notice that a student has or may have been the target of unresolved, severe, or persistent harassment, intimidation, or bullying may report incidents verbally or in writing to any staff member.

The district must provide an incident report form to students, families, or staff, if requested.

I. **Addressing Harassment, Intimidation, or Bullying – Reports**

Step 1: Filing an Incident Reporting Form

In order to protect a targeted student from retaliation, a student need not reveal their identity on an Incident Reporting Form. The form may be filed anonymously, confidentially, or the student may choose to disclose their identity (non-confidential).

Status of Reporter

1. **Anonymous**

Individuals may file a report without revealing their identity. No disciplinary action will be taken against an alleged aggressor based solely on an anonymous report. Schools may identify complaint boxes, use online reporting processes, or develop other methods for receiving anonymous, unsigned reports. Possible responses to an anonymous report include enhanced monitoring of specific locations at certain times of day or increased monitoring of specific students or staff. (Example: An unsigned Incident Reporting Form dropped on a teacher's desk led to the increased monitoring of the boys' locker room in 5th period.)

2. **Confidential**

Individuals may ask that their identities be kept secret from the accused and other students. Like anonymous reports, no disciplinary action will be taken against an alleged aggressor based solely on a confidential report. (Example: A student tells a playground supervisor about a classmate being bullied but asks that nobody know who reported the incident. The supervisor says, "I won't be able to punish the bullies unless you or someone else who saw it is willing to let me use their names, but I can start hanging out near the basketball court, if that would help.")

3. **Non-confidential**

Individuals may agree to file a report non-confidentially. Complainants agreeing to make their complaint non-confidential will be informed that due process requirements may require that the district release all of the information that it has regarding the complaint to any individuals involved in the incident, but that even

then, information will still be restricted to those with a need to know, both during and after the investigation. The district will, however, fully implement the anti-retaliation provision of this policy and procedure to protect complainants and witnesses.

Step 2: Receiving an Incident Reporting Form

All staff are responsible for receiving oral and written reports. Whenever possible, staff who initially receive an oral or written report of harassment, intimidation, or bullying of a student will attempt to resolve the incident immediately. If the incident is resolved to the satisfaction of the parties involved, if the incident does not meet the definition of harassment, intimidation, or bullying, or if the conduct is not directed toward a student, no further action may be necessary under this procedure. If the parties involved are not satisfied with the attempt to resolve the situation, the staff member will notify the HIB Compliance Officer, the parties will be provided with a HIB Incident Report form, and given the opportunity to complete the form, thereby initiating the process for an official HIB investigation.

All reports of unresolved, severe, or persistent harassment, intimidation, or bullying of a student will be recorded on a district Incident Reporting Form and submitted to the principal or designee, once recorded, the principal or designee must communicate with the district HIB Compliance Officer regarding the complaints.

Step 3: Investigations of Unresolved, Severe, or Persistent Harassment, Intimidation and Bullying

All reports of unresolved, severe, or persistent harassment, intimidation, or bullying of a student will be investigated with reasonable promptness. Any student may have a trusted adult with them throughout the report and investigation process.

1. Upon receipt of the Incident Reporting Form that alleges unresolved, severe, or persistent harassment, intimidation, or bullying of a student, the school or district designee will begin the investigation. If there is potential for clear and immediate physical harm to the complainant, the district will immediately contact law enforcement and inform the parent/guardian.
2. For allegations involving a staff member the Human Resources Department must be involved so union representatives can be notified. These allegations will not be handled under the processes in 3207 and 3207P. Human Resources Departments must include consideration of policy and procedure 3210 – Nondiscrimination of Students, policy and procedure 5010 – Nondiscrimination and Affirmative Action, and other applicable policies and laws, including WAC 392-190-0555. The Human Resources Departments should work with their legal services to determine the appropriate complaint process and response.
3. During the course of the investigation, the district will take reasonable measures to ensure that no further incidents of harassment, intimidation, or bullying occur between the complainant, targeted student, and the alleged aggressor. If necessary, the district will implement a safety plan (<https://www.k1wa.us/student-success/health-safety/school-safety-center/safety-planning-toolkit>) for the student(s) involved. The plan may include changing

seating arrangements for the complainant, targeted student, and/or the alleged aggressor in the classroom, at lunch, or on the bus; identifying a staff member who will act as a safe person for the complainant; altering the alleged aggressor's schedule and access to the complainant, and other measures.

If, during the course of an investigation, the district employee conducting the investigation becomes aware of a potential violation of the district's nondiscrimination policy [Policy 3210], the investigator will promptly notify the district's civil rights compliance officer. Upon receipt of this information, the civil rights compliance officer must notify the complainant that their complaint will proceed under the discrimination complaint procedure in WAC 392-190-065 through WAC 392-190-075 as well as the HIB complaint procedure. The notice must be provided in a language that the complainant can understand. The investigation and response timeline for the discrimination complaint procedure will follow that set forth in WAC 392-190-065 and begins when the district knows or should have known that a written report of harassment, intimidation or bullying involves allegations of a violation of the district's nondiscrimination policy.

4. Within two (2) school days after receiving the Incident Reporting Form, the school designee will notify the families of the students involved that a complaint was received and direct the families to the district's policy and procedure on harassment, intimidation and bullying.
5. In rare cases, where after consultation with the student and appropriate staff (such as a psychologist, counselor, or social worker) the district has evidence that it would threaten the health and safety of the complainant or the alleged aggressor to involve his or her parent/guardian, the district may initially refrain from contacting the parent/guardian in its investigation of harassment, intimidation, or bullying of a student. If professional school personnel suspect that a student is subject to abuse and neglect, they must follow district policy for reporting suspected cases to Child Protective Services.
6. The investigation will include, at a minimum:
 - a. An interview with the complainant;
 - b. An interview with the targeted student, if different than the complainant;
 - c. An interview with the alleged aggressor;
 - d. A review of any previous complaints involving the complainant, the targeted student, or the alleged aggressor; and
 - e. Interviews with other students or staff members who may have knowledge of the alleged incident.
7. The principal or designee may determine that other steps must be taken before the investigation is complete.
8. The investigation will be completed as soon as practicable but generally no later than five (5) school days from the initial complaint or report. If more time is needed to complete an investigation, the district will provide the parent/guardian and/or the student with weekly updates.
9. No later than two (2) school days after the investigation has been completed and submitted to the compliance officer, the principal or designee will respond in

writing or in person to the parent/guardian of the complainant and the alleged aggressor stating:

- a. The results of the investigation;
- b. Whether the allegations were found to be factual;
- c. Whether there was a violation of policy; and
- d. The process for the complainant to file an appeal if the complainant disagrees with the results.

Because of the legal requirement regarding the confidentiality of student records, the principal or designee may not be able to report specific information to the targeted student's parent/guardian about any disciplinary action taken unless it involves a directive that the targeted student must be aware of in order to report violations.

If a district chooses to contact the parent/guardian by letter, the letter will be mailed to the parent/guardian of the complainant and alleged aggressor by United States Postal Service with return receipt requested unless it is determined, after consultation with the student and appropriate staff (psychologist, counselor, social worker) that it could endanger the complainant or the alleged aggressor to involve his or her family. If professional school personnel suspect that a student is subject to abuse or neglect, as mandatory reporters they must follow district policy for reporting suspected cases to Child Protective Services.

If the incident cannot be resolved at the school level, the principal or designee will request assistance from the HIB compliance officer.

Step 4: Corrective Measures for the Aggressor

After completion of the investigation, the school or district designee will institute any corrective measures necessary. Corrective measures will be instituted as quickly as possible, but in no event more than five (5) school days after contact has been made to the families or guardians regarding the outcome of the investigation. Corrective measures that involve student discipline will be implemented according to [district policy 3241](#), Student Discipline. If the accused aggressor is appealing the imposition of discipline, the district may be prevented by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded.

If in an investigation a principal or principal's designee found that a student knowingly made a false allegation of harassment, intimidation or bullying, that student may be subject to corrective measures, including discipline.

Step 5: Complainant's Right to Appeal

1. If the complainant or parent/guardian is dissatisfied with the results of the investigation, they may appeal to the superintendent or his or her designee by filing a written notice of appeal within five (5) school days of receiving the written decision. The superintendent or his or her designee will review the investigative report and issue a written decision on the merits of the appeal within five (5) school days of receiving the notice of appeal.

2. If the complainant remains dissatisfied after the initial appeal to the superintendent, the student may appeal to the school board by filing a written notice of appeal with the secretary of the school board on or before the fifth (5) school day following the date upon which the complainant received the superintendent's written decision.
3. An appeal before the school board or disciplinary appeal council must be heard on or before the tenth (10th) school day following the filing of the written notice of appeal to the school board. The school board or disciplinary appeal council will review the record and render a written decision on the merits of the appeal on or before the fifth (5th) school day following the termination of the hearing, and will provide a copy to all parties involved. The board or council's decision will be the final district decision.

Step 6: Discipline/Corrective Action

The district will take prompt and equitable corrective measures within its authority on findings of harassment, intimidation or bullying of a student. Depending on the severity of the conduct, corrective measures may include counseling, education, discipline, and/or referral to law enforcement.

Corrective measures for a student who commits an act of harassment, intimidation, or bullying will be varied and graded according to the nature of the behavior, the developmental age of the student, or the student's history of problem behaviors and performance. Corrective measures that involve student discipline will be implemented according to [district policy and procedure 3241, Student Discipline](#).

If the conduct was of a public nature or involved groups of students or bystanders, the district should strongly consider schoolwide training or other activities to address the incident.

If staff have been found to be in violation of this policy and procedure by not reporting harassment, intimidation, or bullying or not preventing retaliation, school districts may impose employment disciplinary action, up to and including termination. If a certificated educator is found to have committed a violation of [WAC 181-87](#), commonly called the Code of Conduct for Professional Educators, OSPI's Office of Professional Practices may propose disciplinary action on a certificate, up to and including revocation. Contractor violations of this policy may include the loss of contracts.

Step 7: Support for the Targeted Student

Students found to have been subjected to harassment, intimidation or bullying will have appropriate district support services made available to them, and the adverse impact of the harassment on the student will be addressed and remedied as appropriate.

J. Immunity/Retaliation

No school employee, student, or volunteer may engage in reprisal or retaliation against a targeted student, witness, or other person who brings forward information about an

alleged act of harassment, intimidation or bullying of a student. Retaliation is prohibited and will result in appropriate discipline.

K. Other Resources

Students and families should use the district's complaint and appeal procedures as a first response to allegations of harassment, intimidation, or bullying of a student. However, nothing in this procedure prevents a student, parent/guardian, school, or district from taking action to remediate discrimination or harassment based on a person's membership in a legally protected class under local, state or federal law.
