Money allocated through the Learning Improvement Team can be used for:
- professional development for educators, including additional paid time for curriculum and lesson redesign and alignment and training to ensure that instruction is aligned with state standards and student needs for extended learning opportunities.
- class/size mix – for instructional assistance time, instructional materials, staff development training, or other creative solutions to assist in providing services to remedy class student mix problems.
- any medical or academic related needs students have that parents or guardians are unable to provide. Funds may be made available for meeting academic needs of students and outside Washington Elem. School programs.
