DATES SET FOR 2015-2016 STAMP LANGUAGE PROFICIENCY ASSESSMENT TESTS

The STAMP (STAndards-based Measurement of Proficiency) test rewards students for proficiency in their first language (Spanish, French, Japanese, Chinese, Arabic and/or Hebrew). Students can earn 1-4 foreign language elective credits, freeing up time in their schedule to take core classes and explore other career interests. The web-based assessment uses real-life questions to evaluate reading, writing, speaking and listening proficiencies.

The cost is \$17.50 and space is limited to 14 students per test. Payments are made in the ASB office with EXACT cash or a check made out to WSD. Students bring their receipt to the Career Center to register. Testing is for Spanish unless a request is made in advance for a different language. Students must complete the entire test in one sitting. For more information check with Mrs. Phillips in the Career Center.

Testing Dates are:

| | |
|------------------|-------------|
| February 8, 2016 | 8-11 a.m. |
| March 2, 2016 | 1-4 p.m. |
| April 13, 2016 | 8-11 a.m. * |
| May 11, 2016 | 2-5 p.m. |

- Preference given to seniors.

GUIDELINES: It is important to maintain an atmosphere conducive to finals. This is not a time for in class celebrations. This is a time for academic assessment and learning.

1. If a student requests an alternative time to take an exam, they may do so in agreement with the classroom teacher. Remember, Friday's make-up time (8:15-11:40).
2. If a student has requested a prearranged absence and will not be here on Friday during make-up time, they must have approval in advance from the Principal, and then students will make arrangements with the teacher(s) to make up any missed exams
3. Credit Completion Planning - Students who are not going to meet standard in their class may use this time to build a program of credit completion with their teacher. It is recommended that teachers require these students to report on Friday morning.

WHS REGISTRATION PROCESS

Registration for the 2016/17 school year takes place this spring. All registration will be conducted through the student's Skyward account. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

Step 1

In February and early March, students input their course requests into Skyward during their English or history classes. Counselors confirm that students request courses they need and want. At this time, students also request several alternate courses. *Students may adjust these requests by communicating with Counseling Office staff before Spring Break.*

Step 2

During their registration window **in late April or May, students log into Skyward again through their student account, this time to build their schedule.** Students must know their Skyward login ID and password to register. This information may be obtained through the main office.

Only classes requested in Step 1 are available for creating a schedule. Students see which period their requested classes are offered and build a class schedule. *If students need assistance, counselors are available in the Career Center and library each day to assist in the process. Counselors check each schedule the following week to make sure it is complete and appropriate.*

A video explaining the scheduling process will be available on the high school's website.

Students who choose not to create their schedule during this window will have a schedule created for them.
