at Foothills Middle School.”**

Dear Family/ Guardian:

This spring your student(s) in grades 6-8 will take the Smarter Balanced tests in Math and English Language Arts. Students in 8th grade will also take the Washington Comprehensive Assessment of Science (WCAS.)

The results from these tests will give a more accurate picture of whether students are on track to be ready for college or career.

Most students will take the tests online. Foothills Middle School is scheduled to take the tests May 9th through May 27th.

For more information about the Smarter Balanced and WCAS tests, visit:
