Dear John Newbery Parents:

October brings cooler temperatures in the morning. Frequently, students will bring coats to school and then discard them during recess because they are getting too hot. Please make sure that you write the name of your child some place on the inside of his/her coat so that if we find a coat on the playground we can return it to the correct student. This is also a great idea for lunch pails as they often will get left behind. If your child's name is on/in the lunch pail, we can return it.

At the end of this month, we will be begin our fall conferences. On October 30, 31st, and November 1, there will not be any school so that teachers can arrange time to visit with each one of our families. These conferences are very important as not only will you learn how your child is doing at school, you can also share with us a little bit about who your child is. These conversations are very enlightening and they help our teachers provide a much safer and inviting environment for your child. Please make sure you mark your calendars with your conference date and time once you receive the notice from the school. And, of course, if you need to request a different time, please do so early so that we can fit you into our schedules.

We are also beginning our Read-A-Thon which will end on October 29. This is a great way to support our PTA as well as to encourage your children to read at home. Thank you for your support!
