

# What's My Future?

This is a one (or more) page paper, 12 point font, with complete sentences, including the following conversation. Please include name date and period at the top.

Part 1: Discussing the following items with your parents, this needs to be signed by your parent/guardian afterwards (5 points for each question answered, 5 points for heading)

1)What are your wishes for my future?

2)What do you hope to see in my relationships with a significant other and describe the type of person you want me to be with.

3)When you think of relationships and sex, do you have any wishes for me? Do you think I should wait until marriage or what type of relationship do you think I need to be in when that happens?

4)Do we have a belief system, religion, or other types of value system that you think I should use when looking at my future and relationships?
