

Nursing/EMT

Students who complete 2 credits in this pathway will meet their state graduation pathway through the CTE Sequence option.

The **Nursing/EMT Program of Study** includes courses that provide students with an exploration into medical careers, employability skills, medical language, anatomy/physiology, and disease/injury prevention and control. These courses focus on hands-on and direct patient care. Students can practice learned skills in local clinics, hospitals, and long-term care facilities during the program.

Is this program a fit for you?

- Enjoy helping and working with people
- A good listener and relates well to others
- Enjoy learning about science as it relates to improving the lives of others
- Are interested in careers and continued learning in various healthcare options

High School Opportunities

Courses

- Biomedical Biology
- Health Care Fundamentals
- Human Physiology
- EMT or CNA or MA

Additional Possibilities

- HOSA
- Lead - Tracy Kasnic

Career Connected Learning

- Job Shadows/Internship
- Career Exploration Field Trips

Cindy Murie
CTE Pathway Coordinator
murie.c@wenatcheeschools.org

After High School Options

Certificates

- Emergency Medical Technology (EMT)

2 year option

- Medical/Clinical Assistant
- Nursing Assistant

4 year option

- Pre-Nursing Studies
- Nursing Administration
- Registered Nurse
- Physician Associate/Assistant

Careers

Example of Careers and Salary

- Certified Nursing Assistance \$ 26,590
- Emergency Medical Tech \$ 32,670
- Medical Assistance \$ 34,540
- Registered Nurse \$ 68,450
- Diagnostic Medical Tech. \$ 75,380
- Physician Assistant \$101,480
