

Business Management

Students who complete 2 credits in this pathway will meet their state graduation pathway through the CTE Sequence option.

The **Business Management Program of Study** includes courses that provide students insight into introductory business concepts, accounting, marketing, economics, and small business management. Students will be able to get hands-on learning involving our student store and coffee stand. This provides students with real-life experience in customer service, cash handling, and inventory management. Students will understand basic business and finance and can pursue entry-level positions working in industry.

Is this program a fit for you?

- Enjoy helping, leading & and working with people
