

# American Sign Language

Students who complete 2 credits in this pathway will meet their state graduation pathway through the CTE Sequence option.

The **American Sign Language Program of Study** includes courses that provide students with an understanding and respect of American Sign Language, including the basics of the language, culture, and history. Students will participate in projects and activities that prepare them for a future with this language. This program of study ensures students are future-ready and have a vast knowledge of American Sign Language and its culture and community.

Is this program a fit for you?

- Enjoy helping and working with people
- Good listener and communicator
- Interested in learning languages different than your own
- Want to learn about and understand deaf culture and interact with the deaf community
