

Landscape & Facility Management

Students who complete 2 credits in this pathway will meet their state graduation pathway through the CTE Sequence option.

The **Landscape & Facility Management Program of Study** focuses on providing hands-on experience in the field of turf production and athletic field maintenance. A variety of topics such as turfgrass production, sod harvesting, soil testing, irrigation design, mowing, and machinery and equipment maintenance will be learned. Students will have the opportunity to work independently and in teams, developing the skills necessary to excel in careers related to turf management, parks, and landscaping.

Landscape & Facility Management Program

Is this program a fit for you?

- Enjoy projects working with your hands and using tools
- Enjoy learning through building and repairing things
- Feel comfortable working outside
- Have attention to detail and precision in your work

High School Opportunities

After High School Options

Careers

Courses

- Landscape Management
- Horticulture
- Small Engines I
- Plant Science

Additional Possibilities

- FFA
- Lead - Doug Merrill

Career Connected Learning

- Job Shadows/Internship
- Career Exploration Field Trips

Cindy Murie

CTE Pathway Coordinator

murie.c@wenatcheeschools.org

Certificates

- Building/Property Maintenance
- Construction Trades/apprenticeships

2 year option

- Landscape Architecture
- Environmental Design/Architecture
- Construction/Heavy Equipment/Earthmoving Equipment Operation

4 year option

- Construction Management
- Environmental Studies
- Building/Property Maintenance

Example of Careers and Salary

- Landscaper, gardener \$ 26,830
- Construction Labor \$ 32,230
- Maintenance Work \$ 36,940
- Equipment Operator \$ 45,040
- Ecologist, Conservationist \$ 60,610
Forester, Forest/Park Ranger
