

ABOUT COLLEGE AND CAREER: TYPES OF COLLEGES

The term college includes technical colleges, 2-year community colleges, **vocational** or trade schools and 4-year colleges or universities. There is not one type of college that is perfect for everyone, so it is important to explore your options.

WHERE SHOULD I GO FOR COLLEGE?

Private 2-year College/ Vocational/ Trade Schools

Private 2-year, vocational or trade schools provide education for a specific career. Students that graduate from these schools can become a chef, massage therapist, or paralegal.

Public and Private 4-year College/University

These schools offer bachelor's degrees, usually completed in 4 years of full-time study. Private schools typically charge a higher **tuition** but can offer a significant amount of **scholarships** to make attendance affordable. Students that graduate from these schools can become a robotics engineer, business analyst, or nutritionist.

Make sure to review ANY school's **accreditation** and job placement rates.

Community and Technical Colleges (CTCs)

These schools offer **associate's degrees** and **certificates**, including for specific **trades**. Washington state has 34 public CTCs. Students that graduate from CTCs can enter many careers, such as nursing, automotive repair and cybersecurity.
