### What do Migrant Graduation Specialists do?

*They help the migrant student:*

- develop an academic plan to pass their classes
- understand and complete graduation requirements
- pursue their post-secondary interests
- navigate the college admissions process
- access outside agencies and resources

### Multilingual Para Educators

#### Jose Guillen-Esquibel

#### Magali Olguin Ramos

### What do Multilingual Para Educator do?

Help multilingual students with language and content support during class instruction,

after school support, and accessing school resources.

We look forward to partnering with you! If you have any questions or ideas of how we can better assist you in promoting migrant/multilingual student

success, feel free to contact us at your convenience.

Thank You!
