

Schneider LIT notes 11/19/18

Emily Wilson, Dale Blair, Dianne Owen, Larry Howe, Dani Cloke, Dan Deal,

1. Conferences - how did it go?

Would rather be there earlier than later

Conferences went well

Numbers were up a little for some and lowest for others

Spring

No long day again please.

Hard having kids having 5 days off in a row – too much time reviewing after the break.

Could we go back to half days and conferences?

Seems like we have had a lot of time off in Nov and Dec

2. Ending 1st semester and losing an A day due to the finals schedule - how do we solve this?

No comments

3. Finals Schedule

No comments

4. There is a group of teachers getting together to do a book study on equity in the classroom. If there are any teachers interested in joining, let me know and I'll forward their names.

Dan Deal

Send out book title for individual reading? No time for the book study part

Q: Where did the whole second breakfast thing come from?

Kinda annoying during second period

Substitute issue:

Hate it.

Disrespectful

Subs not happy

Need prep time

Money for prep time – where is it going

What is the plan for saving the money?

Already have low expectations of subs so not super affected.
