## **Online Tutoring and Homework Help:**

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

You will get updates on scholarships, reminders on application due dates, and notification of upcoming events. Don't get left out – join now!

**Attn: Seniors!** If you or your parents have employment ties to the Tree Fruit Industry (apples, cherries, pears), the **Washington Apple Education Foundation** has opened their scholarship application. There are two types of scholarships – one for students pursuing an Associate or Bachelor's degree, and another for students interested in a Technical or Vocational Career. Visit [www.waef.org/scholarships](http://www.waef.org/scholarships) for a full list of scholarships available.

The **ASVAB** (*Armed Services Vocational Aptitude Battery*) is scheduled for Friday, Oct. 19, in the WHS Auditorium. This FREE skills and interest test is the same one used to enter a branch of the military. If you are a senior and need to complete your High School and Beyond Plan (which is a graduation requirement), this test will count for that plan. An interpretation of the test scores will follow at the end of October.

Has your student started the **FAFSA** or **WASFA** and gotten stuck? Do you have questions about where to start? FAFSA/WASFA is the main focus of Mentor/Senior Nights on Tuesdays from 6-8 pm in the WHS Library during the month of October. If translation (Spanish/English) is needed, there is a sign up sheet in the Career Center to make an appointment with Gaby Fernandez for assistance.
