Online Tutoring and Homework Help:

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

Family Info Night: *College Credit Now!*

Monday, February 4, 6:00 PM - Wenatchee High School New Commons

Did you know that high school students can earn college credit?

High school students have four options for jump-starting their college careers:

- Advanced Placement (AP)
- College in the Classroom
- Career & Technical Education (CTE) Dual Credit
- Running Start

Please join us to learn more about these powerful programs from teachers and program directors and to speak with students currently taking advantage of them and earning college credit. This event will be bilingual (in English and Spanish) and is brought to you by Wenatchee High School, the Wenatchee School District, and Wenatchee Valley College.

Monday, February 4th, 6:00 - 7:30 PM

WHS Career Center Update

** Good News from Remind **

Remind is thrilled to share the news: Thanks to you, Verizon has informed us that they will **#ReverseTheFee**. As a result, we can continue to offer text notifications as part of the Remind service. **There will be no service disruption for Verizon Wireless customers.** We're grateful to Verizon for making a commitment to support accessible communication for all Remind users.

The Foundation for Water and Energy Education, Hydropower and STEM Career through activities at Rocky Reach Dam, June 24 - 28, 2019. At the Academy, students can explore the physics of producing hydropower, race solar cars and fly their own drone. These are part of STEM challenges that include meeting and doing hands-on activities with mechanical and electrical engineers, plant mechanics and operators, divers, and linemen.

Chelan County PUD's Rocky Reach Visitor Center is the host location. Registration for the 5-day academy is \$175 per student with some scholarships available. The application and other resource materials can be found at FWEE.org/academy. Applications need to be postmarked no later than May 10th, 2019.

Students who took the **PSAT** are encouraged to take the next step on their **SAT** practice journey by linking their College Board and a Khan Academy® account, which unlocks a *free* SAT study plan. Linking their accounts will send their PSAT/NMSQT® scores to Khan Academy, giving them access to a personalized experience on **Official SAT Practice**. Research shows that studying on Official SAT Practice for a total of 20 hours is associated with an average score gain of 115 points from the PSAT/NMSQT to the SAT. That's nearly double the average score gain of students who don't use Khan Academy. To sign up visit <https://signup.collegeboard.org/official-sat-practice/>

If your student is more interested in learning a trade and joining the workforce than attending college, check into **Job Corps**. Job Corps is a no-cost education and career technical training program administered by the U.S. Department of Labor that helps young people ages 16 to 24 improve the quality of their lives through career technical and academic training. Students can earn a high school diploma or the equivalent, or college credits through Job Corps. They offer career technical training in more than 100 career areas. Students receive housing/dormitories, nutritious meal options, basic medical care, a living allowance, and career training **all at no cost**. After graduation, a career transition specialist will help your student make the transition from Job Corps into the real world. Visit recruiting.jobcorps.gov for more information.

News from the Homework Center...

The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to pantherhomeworkcenter@wenatcheeschools.org.

One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).

The purpose of this service is to refine students writing skills. We will not complete the assignment for them.
