WHS REGISTRATION PROCESS

Registration for the 2018/19 school year takes place this spring. All registration will be conducted through the student's Skyward account. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

Step 1

In February and March, students communicate their class requests in writing. Counselors confirm that students request courses required for graduation. Students **are not** limited to only these classes when they build their schedules in Step 2. WHS uses this information to determine student need and build the master schedule.

Step 2

In late April or May, students log into Skyward through their student account to build their schedule for the following year. Students must know their student Skyward login ID and password to register. This information may be obtained through the counseling office. Each graduating class, starting with current juniors, will have several days in which to build their schedules.

If students need assistance, counselors are available in the Career Center and library each day to assist in the process. Counselors check each schedule after the scheduling window closes to make sure it is complete and appropriate.

A video demonstrating the scheduling process will be available on the WHS website and is shown in classes.

Students who choose not to create a schedule will have a one created for them.

JUNIORS:

Will you be one of the first in your family to go to college? Feeling overwhelmed with the admissions and financial aid process?

Interested in an adult mentor to help guide you through the process?

The College Mentor Program is now accepting applications for the '19-'20 school year.

Pick up an application and return to Mrs. Johnson in the Career Center. Juniors will get a jump start on the application process this May with a series of workshops. Spots are limited, so apply today!

For more information on eligibility, contact Andie Johnson at 663-8117 x721 or johnson.andrea@wenatcheeschools.org

Online Tutoring and Homework Help:

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

WHS Career Center Update

The University of Washington Society of Hispanic Professional Engineers (SHPE) will be hosting the 2019 **Future Meets Present Conference** on Saturday, April 20, 2019 from 10:00 am to 4:00 pm on the UW campus in Seattle. This conference gives high school students the opportunity to explore STEM fields.

The conference includes admissions and financial advice, a campus tour with current students, three catered meals, presentations from Boeing, Microsoft, Blue Origin, and others, fun games, competitions, prizes, and more. For details about this event go to: www.students.washington.edu/shpe.

The University of Washington Office of Educational Partnerships and Diversity and the School of Dentistry are offering a day-long event, **“Empowering Youth for Health Professional Careers,”** on Saturday, April 13, from 9am – 3pm in Moses Lake. The UW is working in partnership with Big Bend Community College to host this event. The day will include keynote speakers, hands-on workshops, and a resource fair. Healthcare specialties include: Dentistry, Behavioral Health, Nursing, and Pharmacy. Breakfast and lunch will be provided. **Register by April 7** at: <https://goo.gl/forms/6YJYIStwWjSXILpW2>

Your student may receive a TAG (The Admission Guarantee) letter from Wenatchee Valley College. **This letter is automatically sent out to all WHS seniors, regardless of if they have applied to WVC or not.** If they plan to attend WVC it provides an option for them to submit their application online and waive the fee, but in the intended “major of study box,” they must enter “/TAG” in order for it to be waived (eg: Biology/TAG). Another option is for them to turn in a paper application directly to Mrs. Johnson in the Career Center or WVC without entering any credit card information on the backside (make sure the application is signed). Students will be receiving their Financial Aid Award Letters from WVC in the next two months.

Notice: WHS participation in **College Planning Day**, scheduled for Monday, March 25 at WVC, has been canceled due to lack of interest.

Upcoming Mentor/Senior Night Events (All Seniors welcome)

| Date | Event |
|------------|--|
| 3/12 6-8pm | Job Shadows/Apprenticeships Opportunities: Mrs. McBride |
| 3/19 6-8pm | WVC Night (Admissions, CAMP, TRiO, MESA) |

UNIVERSITY *of* WASHINGTON

COLLEGE OF ENGINEERING

STARS Engineering Scholars

The Washington State Academic RedShirt (STARS) program supports engineering and computer science students from low-income, first-generation, and underserved backgrounds in navigating the transition to college-level engineering courses.

STARS is a two-year program with a specialized curriculum designed to build learning skills and strengthen academic preparation for core math and science prerequisites. STARS scholars are guaranteed placement into an engineering or computer science major.

STARS scholars...

- Are a tight-knit engineering learning community
- Master core problem-solving skills in math, chemistry, physics, and computer science
- Do better in fundamental math and science courses
- Improve their studying, test-taking, and time-management skills
- Receive personalized academic and career counseling
- Benefit from peer and faculty mentoring
- Learn about internship and research opportunities
- May be eligible for scholarships when funding is available
- Cultivate **passion**, **perseverance**, and **grit** inside and outside the classroom

Eligibility requirements

- Admitted incoming freshman at the University of Washington, Seattle campus (*STARS is not offered at UW Bothell or UW Tacoma*)
- Washington State resident and graduate of a Washington high school
- Eligible for financial aid (preference for Husky Promise, Pell Grant, and State Need Grant recipients)
- Engineering or computer science indicated as first-choice major on the UW application

For more information and to apply visit
<https://www.engr.washington.edu/stars>

News from the Homework Center...

The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to pantherhomeworkcenter@wenatcheeschools.org.

One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).

The purpose of this service is to refine students writing skills. We will not complete the assignment for them.
