JUNIORS:

Will you be one of the first in your family to go to college? Feeling overwhelmed with the admissions and financial aid process?

Interested in an adult mentor to help guide you through the process?

The College Mentor Program is now accepting applications for the '19-'20 school year.

Pick up an application and return to Mrs. Johnson in the Career Center. Juniors will get a jump start on the application process this May with a series of workshops. Spots are limited, so apply today!

For more information on eligibility, contact Andie Johnson at 663-8117 x721 or johnson.andrea@wenatcheeschools.org

Online Tutoring and Homework Help:

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

WHS Career Center Update

**** ALERT ****

Seniors: Please be cautious if you receive a phone call offering you a scholarship and the caller requests personal information from you including a bank account number. A student received such a call from a number originating in Washington, DC, and after listening to the “speech” about funds, discovered it was a scam.

Legitimate scholarships will not solicit over the phone nor will they charge you to apply. **NEVER** give out personal information to a caller. If you have questions about scholarships come to the Career Center.

The University of Washington Society of Hispanic Professional Engineers (SHPE) will be hosting the 2019 **Future Meets Present Conference** on Saturday, April 20, 2019 from 10:00 am to 4:00 pm on the UW campus in Seattle. This conference gives high school students the opportunity to explore STEM fields.

The conference includes admissions and financial advice, a campus tour with current students, three catered meals, presentations from Boeing, Microsoft, Blue Origin, and others, fun games, competitions, prizes, and more. For details about this event go to: www.students.washington.edu/shpe.

The University of Washington Office of Educational Partnerships and Diversity and the School of Dentistry are offering a day-long event, “**Empowering Youth for Health Professional Careers,**” on Saturday, April 13, from 9am – 3pm in Moses Lake. The UW is working in partnership with Big Bend Community College to host this event. The day will include keynote speakers, hands-on workshops, and a resource fair. Healthcare specialties include: Dentistry, Behavioral Health, Nursing, and Pharmacy. Breakfast and lunch will be provided. **Register by April 7** at: <https://goo.gl/forms/6YJYIStwWjSXlPw2>

If your student is applying to a four-year university and they do not have Foreign Language credits they can take the **STAMP Test** if they are fluent in a foreign language. The test will be offered once more this school year on Monday, April 29. Tests are held in the Resource Lab and start at 8:00 am. To register for a test, students fill out a short form that is available in the Counseling Office, pay the fee and take the paperwork to Mrs. Murie in the main office to register.

UNIVERSITY *of* WASHINGTON

COLLEGE OF ENGINEERING

STARS Engineering Scholars

The Washington State Academic RedShirt (STARS) program supports engineering and computer science students from low-income, first-generation, and underserved backgrounds in navigating the transition to college-level engineering courses.

STARS is a two-year program with a specialized curriculum designed to build learning skills and strengthen academic preparation for core math and science prerequisites. STARS scholars are guaranteed placement into an engineering or computer science major.

STARS scholars...

- Are a tight-knit engineering learning community
- Master core problem-solving skills in math, chemistry, physics, and computer science
- Do better in fundamental math and science courses
- Improve their studying, test-taking, and time-management skills
- Receive personalized academic and career counseling
- Benefit from peer and faculty mentoring
- Learn about internship and research opportunities
- May be eligible for scholarships when funding is available
- Cultivate **passion**, **perseverance**, and **grit** inside and outside the classroom

Eligibility requirements

- Admitted incoming freshman at the University of Washington, Seattle campus (*STARS is not offered at UW Bothell or UW Tacoma*)
- Washington State resident and graduate of a Washington high school
- Eligible for financial aid (preference for Husky Promise, Pell Grant, and State Need Grant recipients)
- Engineering or computer science indicated as first-choice major on the UW application

For more information and to apply visit
<https://www.engr.washington.edu/stars>

Is your junior interested in pursuing studies in engineering? The University of Washington has a great offer for your student this summer!

COLLEGE OF ENGINEERING
UNIVERSITY of WASHINGTON

MATHEMATICS ACADEMY

JULY 7 - AUGUST 2, 2019

Are you interested in studying engineering at the University of Washington?
Get a jump start.

Live in college dorms for four weeks on the UW Seattle Campus and work on college level math problem solving skills. Explore engineering fields and careers with UW engineering students, faculty, and industry professionals.

**Applications available online
January 18 at:
engr.uw.edu/mathacademy**

PROGRAM FEE: NONE
**APPLICATION DEADLINE:
MARCH 15, 2019**

For more information contact
Priscilla Yoon at plyoon@uw.edu

News from the Homework Center...

The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to pantherhomeworkcenter@wenatcheeschools.org.

One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).

The purpose of this service is to refine students writing skills. We will not complete the assignment for them.
