*We invite you to support **WHS Athletics** by joining the **Panther Booster Club!** It's simple...just follow the link <https://pantherboosterclub.org/> select **Membership**, then **Become a Member**. **THANK YOU** for your support of Panther Athletics!*

****Please take a minute and view your student's fines at the following link:**

<http://wa-wenatchee.intouchrecepting.com>

If you have any questions regarding these fines, please contact Mrs. Walters in the ASB business office at 664-3678.**

WHS REGISTRATION PROCESS

Registration for the 2019/20 school year takes place this spring. All registration will be conducted through the *student's Skyward account*. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

Step 1

In February and March, students communicate their class requests in writing. Counselors confirm that students request courses required for graduation. Students **are not** limited to only these classes when they build their schedules in Step 2. WHS uses this information to determine student need and build the master schedule.

Step 2

In late April or May, students log into Skyward through their student account to register for classes for the following year. Students must know their student Skyward login ID and password to register. This information may be obtained through the counseling office. Each graduating class, starting with current juniors, will have multiple days in which to build their schedules.

If students need assistance, counselors are available in the library, LGI and Dean's Den each day to assist in the process. Counselors check each schedule after the scheduling window closes to make sure it is complete and appropriate.

A video demonstrating the process will be available on the WHS website and is shown in classes.

Students who choose not to create a schedule will have a one created for them.

WHS reserves the right to balance classes as necessary.

TIMELINE

Students Communicate Course Requests

February/March

Building of Master Schedule

March/April

Graduating Class Based Proposed Registration Windows

(Windows open at the beginning of lunch and close at midnight)

FIRST RESPONDERS

Someone calls for help and sirens blare — It's time to go to work! Police, fire, emergency medical technicians (EMTs), dispatchers and other emergency medical services professionals respond to emergency situations such as heart attacks, head injuries, car accidents, fires, and crime scenes. They do what is necessary to stabilize and transport patients via an ambulance or by helicopter to a hospital, if needed, for continued care from a physician. At this unique Careers After School event, you'll be in the center of a mock accident scene and will witness these first responders in their element.

Careers After School events are free and open to 6-12 grade students, parents and educators. Light snacks and refreshments included. Space is limited so please RSVP to Wenatchee.org/careers-after-school or info@wenatchee.org

JUNIORS:

Will you be one of the first in your family to go to college? Feeling overwhelmed with the admissions and financial aid process?

Interested in an adult mentor to help guide you through the process?

The College Mentor Program is now accepting applications for the '19-'20 school year.

Pick up an application and return to Mrs. Johnson in the Career Center. Juniors will get a jump start on the application process this May with a series of workshops. Spots are limited, so apply today!

For more information on eligibility, contact Andie Johnson at 663-8117 x721 or johnson.andrea@wenatcheeschools.org

Online Tutoring and Homework Help:

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

UNIVERSITY *of* WASHINGTON

COLLEGE OF ENGINEERING

STARS Engineering Scholars

The Washington State Academic RedShirt (STARS) program supports engineering and computer science students from low-income, first-generation, and underserved backgrounds in navigating the transition to college-level engineering courses.

STARS is a two-year program with a specialized curriculum designed to build learning skills and strengthen academic preparation for core math and science prerequisites. STARS scholars are guaranteed placement into an engineering or computer science major.

STARS scholars...

- Are a tight-knit engineering learning community
- Master core problem-solving skills in math, chemistry, physics, and computer science
- Do better in fundamental math and science courses
- Improve their studying, test-taking, and time-management skills
- Receive personalized academic and career counseling
- Benefit from peer and faculty mentoring
- Learn about internship and research opportunities
- May be eligible for scholarships when funding is available
- Cultivate **passion**, **perseverance**, and **grit** inside and outside the classroom

Eligibility requirements

- Admitted incoming freshman at the University of Washington, Seattle campus (*STARS is not offered at UW Bothell or UW Tacoma*)
- Washington State resident and graduate of a Washington high school
- Eligible for financial aid (preference for Husky Promise, Pell Grant, and State Need Grant recipients)
- Engineering or computer science indicated as first-choice major on the UW application

For more information and to apply visit
<https://www.engr.washington.edu/stars>

WHS Career Center Update

Seniors: Be sure to double-check your Graduation Requirements and make sure you have all necessary credits completed. Don't forget your state tests, WA State History, and your High School and Beyond Plan. If you have questions about any of this be sure to make an appointment with your counselor.

Upcoming Mentor/Senior Night Event (All Seniors welcome)

Date	Event
5/7	What to Expect in College: Student Panel <i>WHS Graduates talk about their experiences at University</i>

STUDENT SUCCESS INITIATIVES - COUGS RISE!

The Cougs Rise Program offers low-income and first-generation students from five Washington high schools, **including Wenatchee High**, college preparation programming and mentorship designed to boost their chances of earning a college degree (*the student does not have to plan to attend WSU*).

All of the current WHS Cougs Rise students are seniors, so the program is recruiting to find approximately 20 junior, sophomore, or freshman Panthers to fill those spots. If your student is interested in participating in this program the application can be found at <https://cougsrise.wsu.edu/apply/>.

There are still **scholarships** available in the Career Center. Check the list posted in the main hallway across from the Dean's Den, attached to the weekly bulletin, and available in the Career Center. Don't leave those scholarship funds unused.

Thank you for thinking Spring!

News from the Homework Center...

The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to pantherhomeworkcenter@wenatcheeschools.org.

One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).

The purpose of this service is to refine students writing skills. We will not complete the assignment for them.
