# WHS REGISTRATION PROCESS

Registration for the 2018/19 school year takes place this spring. All registration will be conducted through the student's Skyward account. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

## Step 1

**In February and March, students communicate their class requests in writing.** Counselors confirm that students request courses required for graduation. Students **are not** limited to only these classes when they build their schedules in Step 2. WHS uses this information to determine student need and build the master schedule.

## Step 2

**In late April or May, students log into Skyward through their student account to build their schedule for the following year.** Students must know their student Skyward login ID and password to register. This information may be obtained through the counseling office. Each graduating class, starting with current juniors, will have several days in which to build their schedules.

*If students need assistance, counselors are available in the Career Center and library each day to assist in the process. Counselors check each schedule after the scheduling window closes to make sure it is complete and appropriate.*

**A video demonstrating the scheduling process will be available on the WHS website and is shown in classes.**

**Students who choose not to create a schedule will have a one created for them.**

## TIMELINE

(Students submit Schedule Change Request Form to Counseling Office)

## Attention Seniors...

Please fill out a yellow FINAL TRANSCRIPT REQUEST form as soon as you know what college, technical program, military or other program you will be attending after graduation. This will ensure that your final high school transcript will be sent promptly. The counseling office will be closed at the end of June and requests made after that time will not be processed until mid August. The yellow form will be available in the counseling office.

# JUNIORS:

Will you be one of the first in your family to go to college? Feeling overwhelmed with the admissions and financial aid process?

Interested in an adult mentor to help guide you through the process?

The College Mentor Program is now accepting applications for the '19-'20 school year.

*Pick up an application and return to Mrs. Johnson in the Career Center. Juniors will get a jump start on the application process this May with a series of workshops. Spots are limited, so apply today!*

For more information on eligibility, contact Andie Johnson at 663-8117 x721 or [johnson.andrea@wenatcheeschools.org](mailto:johnson.andrea@wenatcheeschools.org)

## **Online Tutoring and Homework Help:**

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: [www.tutor.com/whs](http://www.tutor.com/whs)

UNIVERSITY *of* WASHINGTON

COLLEGE OF ENGINEERING

## STARS Engineering Scholars

The Washington State Academic RedShirt (STARS) program supports engineering and computer science students from low-income, first-generation, and underserved backgrounds in navigating the transition to college-level engineering courses.

STARS is a two-year program with a specialized curriculum designed to build learning skills and strengthen academic preparation for core math and science prerequisites. STARS scholars are guaranteed placement into an engineering or computer science major.

### STARS scholars...

- Are a tight-knit engineering learning community
- Master core problem-solving skills in math, chemistry, physics, and computer science
- Do better in fundamental math and science courses
- Improve their studying, test-taking, and time-management skills
- Receive personalized academic and career counseling
- Benefit from peer and faculty mentoring
- Learn about internship and research opportunities
- May be eligible for scholarships when funding is available
- Cultivate **passion**, **perseverance**, and **grit** inside and outside the classroom

### Eligibility requirements

- Admitted incoming freshman at the University of Washington, Seattle campus (*STARS is not offered at UW Bothell or UW Tacoma*)
- Washington State resident and graduate of a Washington high school
- Eligible for financial aid (preference for Husky Promise, Pell Grant, and State Need Grant recipients)
- Engineering or computer science indicated as first-choice major on the UW application

For more information and to apply visit  
<https://www.engr.washington.edu/stars>

# WHS Career Center Update

**Seniors:** If you have been awarded a scholarship for college please fill out a “**Scholarship Notification Form**” and return it to the Career Center. This information will be used for Senior Awards Night and the Commencement Program.

## **STUDENT SUCCESS INITIATIVES - COUGS RISE!**

**The Cougs Rise Program** offers low-income and first-generation students from five Washington high schools, **including Wenatchee High**, college preparation programming and mentorship designed to boost their chances of earning a college degree (*the student does not have to plan to attend WSU*).

All of the current WHS Cougs Rise students are seniors, so the program is recruiting to find approximately 20 junior, sophomore, or freshmen Panthers to fill those spots. If your student is interested in participating in this program the application can be found at <https://cougsrise.wsu.edu/apply/>.

There are still a few **scholarships available** in the Career Center. Check the list in the main hallway across from the Dean’s Den. Don’t leave those scholarship dollars un-awarded.

**Senior Awards Night** will be **Tuesday, May 28, in the WHS Auditorium beginning at 6:30**. Light refreshments will be served. Students who have let us know they have been awarded scholarships will receive an invitation to the event. All students are welcome to come and support their classmates.

## **News from the Homework Center...**

*The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to [pantherhomeworkcenter@wenatcheeschools.org](mailto:pantherhomeworkcenter@wenatcheeschools.org).*

*One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).*

*The purpose of this service is to refine students writing skills. We will not complete the assignment for them.*
