FRIDAY, May 10, 2019

- 🐾 People First Club – room 552 – 11:15 a.m.

*We invite you to support **WHS Athletics** by joining the **Panther Booster Club!** It's simple...just follow the link <https://pantherboosterclub.org/> select **Membership**, then **Become a Member. THANK YOU** for your support of Panther Athletics!*

****Please take a minute and view your student's fines at the following link:**

<http://wa-wenatchee.intouchrecepting.com>

If you have any questions regarding these fines, please contact Mrs. Walters in the ASB business office at 664-3678.**

WHS REGISTRATION PROCESS

Registration for the 2018/19 school year takes place this spring. All registration will be conducted through the student's Skyward account. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

Step 1

In February and March, students communicate their class requests in writing. Counselors confirm that students request courses required for graduation. Students **are not** limited to only these classes when they build their schedules in Step 2. WHS uses this information to determine student need and build the master schedule.

Step 2

In late April or May, students log into Skyward through their student account to build their schedule for the following year. Students must know their student Skyward login ID and password to register. This information may be obtained through the counseling office. Each graduating class, starting with current juniors, will have several days in which to build their schedules.

If students need assistance, counselors are available in the Career Center and library each day to assist in the process. Counselors check each schedule after the scheduling window closes to make sure it is complete and appropriate.

A video demonstrating the scheduling process will be available on the WHS website and is shown in classes.

Students who choose not to create a schedule will have a one created for them.

TIMELINE

Students Communicate Course Requests

February/March

Building of Master Schedule

March/April

Graduating Class Based Registration Windows

Current Juniors

May, TBD

Current Sophomores

May, TBD

Current Freshmen

May, TBD

**Student Initiated Schedule Changes
Aug**

1st Week of June/3rd Week of

(Students submit Schedule Change Request Form to Counseling Office)

Attention Seniors...

Please fill out a yellow FINAL TRANSCRIPT REQUEST form as soon as you know what college, technical program, military or other program you will be attending after graduation. This will ensure that your final high school transcript will be sent promptly. The counseling office will be closed at the end of June and requests made after that time will not be processed until mid August. The yellow form will be available in the counseling office.

JUNIORS:

Will you be one of the first in your family to go to college? Feeling overwhelmed with the admissions and financial aid process?

Interested in an adult mentor to help guide you through the process?

The College Mentor Program is now accepting applications for the '19-'20 school year.

Pick up an application and return to Mrs. Johnson in the Career Center. Juniors will get a jump start on the application process this May with a series of workshops. Spots are limited, so apply today!

For more information on eligibility, contact Andie Johnson at 663-8117 x721 or johnson.andrea@wenatcheeschools.org

Online Tutoring and Homework Help:

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

FIRST RESPONDERS

Someone calls for help and sirens blare – It's time to go to work! Police, fire, emergency medical technicians (EMTs), dispatchers and other emergency medical services professionals respond to emergency situations such as heart attacks, head injuries, car accidents, fires, and crime scenes. They do what is necessary to stabilize and transport patients via an ambulance or by helicopter to a hospital, if needed, for continued care from a physician. At this unique Careers After School event, you'll be in the center of a mock accident scene and will witness these first responders in their element.

Careers After School events are free and open to 6-12 grade students, parents and educators. Light snacks and refreshments included. Space is limited so please RSVP to Wenatchee.org/careers-after-school or info@wenatchee.org

HYDRO MECHANICS

ROCKY REACH DAM

Generation mechanics are responsible for maintaining, repairing, replacing and testing mechanical equipment at Chelan PUD hydro projects. Take a deep dive with this specialized job and learn how they maintain and repair fish ladders, turbines, pumps, and other equipment through underwater welding, rigging, fabrication and crane operation.

Careers After School events are free and open to 6-12 grade students, parents and educators. Light snacks and refreshments included. Space is limited so please RSVP to Wenatchee.org/careers-after-school or info@wenatchee.org

UNIVERSITY *of* WASHINGTON

COLLEGE OF ENGINEERING

STARS Engineering Scholars

The Washington State Academic RedShirt (STARS) program supports engineering and computer science students from low-income, first-generation, and underserved backgrounds in navigating the transition to college-level engineering courses.

STARS is a two-year program with a specialized curriculum designed to build learning skills and strengthen academic preparation for core math and science prerequisites. STARS scholars are guaranteed placement into an engineering or computer science major.

STARS scholars...

- Are a tight-knit engineering learning community
- Master core problem-solving skills in math, chemistry, physics, and computer science
- Do better in fundamental math and science courses
- Improve their studying, test-taking, and time-management skills
- Receive personalized academic and career counseling
- Benefit from peer and faculty mentoring
- Learn about internship and research opportunities
- May be eligible for scholarships when funding is available
- Cultivate **passion**, **perseverance**, and **grit** inside and outside the classroom

Eligibility requirements

- Admitted incoming freshman at the University of Washington, Seattle campus (*STARS is not offered at UW Bothell or UW Tacoma*)
- Washington State resident and graduate of a Washington high school
- Eligible for financial aid (preference for Husky Promise, Pell Grant, and State Need Grant recipients)
- Engineering or computer science indicated as first-choice major on the UW application

For more information and to apply visit
<https://www.engr.washington.edu/stars>

News from the Homework Center...

The Homework Center is beginning a new paper-editing service, allowing us to help students remotely. If you have students that would benefit from this extra editing assistance, they can share their google doc or email their paper to pantherhomeworkcenter@wenatcheeschools.org.

One of our tutors, who specialize in English, will make editing comments within the next two Homework Center days (we are open Monday through Thursday).

The purpose of this service is to refine students writing skills. We will not complete the assignment for them.

ACT 2018-2019 Test Dates

https://www.studentscholarships.org/	http://www.maldef.org (Undocumented students)

For students wanting to attend an **out-of-state school**, get information on reduced tuition offers at: www.wiche.edu/wue

WUE is the **Western Undergraduate Exchange**, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states may enroll in participating two-year and four-year public college programs at a reduced tuition level. In all cases, WUE tuition is considerably less than nonresident tuition. For answers to many of the commonly asked questions about WUE, visit [wiche.edu/askwiche](http://www.wiche.edu/askwiche).
