## Class Schedules • Schedule Corrections

The Wenatchee High School Counseling staff works extremely hard to ensure that all of our students receive the classes that they requested, in addition to their required classes. Even so, some errors do occur. If you have an error in your schedule that is due to one of the reasons listed below, counselors will correct your schedule. Students can check their schedules through their student SKYWARD account. (See *Skyward Login Assistance on page 4*.) **Freshmen will be given their SKYWARD login information, along with their class schedule on Picture Day, August 24<sup>th</sup>, but may also login to Skyward at any time to view their schedule. A list of available classes will be posted each morning outside the counseling office and on the counseling web page online to help facilitate the process. Students are only allowed to submit forms once, so please refer to the list of available classes first and be detailed with your requests. Once you submit your form to the counseling office, check your Skyward account to see if requested changes were possible.

**IGNITE! '18 FRESHMAN ORIENTATION****Friday, August 24<sup>th</sup> • 8:00-12:00**

On Friday, August 24<sup>th</sup>, incoming 9th graders are invited to participate in our Ignite Freshman Orientation. Don't miss out on this great tradition of welcoming new students to the WHS team! Orientation will run from 8:00 – 12:00 and students should arrive a little before 8:00 a.m. to the **Athletic entrance**. Orientation will include:

- Group activities
- School tours
- Schedules
- Skyward login info

All freshmen will have their school pictures taken following orientation, from 12:15–2:00 p.m. (see schedule on page 3.)

**Attendance Changes: Positive Attendance**

In order to maximize instructional time, encourage student responsibility, and improve student safety, Wenatchee High School has implemented a new system for classroom attendance. Rather than being marked as absent by the teacher, students will be required to scan into class using the barcode on their student ID card. When students scan in, they will be marked present by the Skyward system. This is very similar to a timecard system at a place of employment. Every classroom space will have a scanner available to record attendance. If a student does not scan into class, they will be marked as absent by Skyward. **All students must have their school ID with them to scan into each class on a daily basis.**

**ATTEND TODAY, ACHIEVE TOMORROW****GOOD SCHOOL ATTENDANCE MEANS...**

**ELEMENTARY STUDENTS**  
read well by the end of third grade

**MIDDLE SCHOOLERS**  
pass important courses

**HIGH SCHOOLERS**  
stay on track for graduation

**COLLEGE STUDENTS**  
earn their degrees

**WORKERS**  
succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

**Parents and Guardians Please Sign Up to Receive Our Text Messages**

Wenatchee HS will begin utilizing the school messenger system to deliver text messages. Text messages will be delivered straight to your mobile phone with important information about attendance, events, school closings, safety alerts and more.\*

Also, the school messenger app will allow you to choose how you receive information we send. You can choose to receive information in any combination of text, phone call, or email.

You can participate in this free service\* just by sending a text message of “Y” or “Yes” to our school’s short code number, **67587**.

If we do not have your cell phone number, please contact our counseling office to update your information.

**Attendance**

When a student is absent, the parent or guardian needs to verify the reason for the absence using one of the following methods within 48 hours of returning to school.

1. Send a signed note to the attendance office with the dates of absence(s) and reason.
2. Email the attendance office with the dates of absence(s) and reason. Email: [whsattendance@wenatcheeschools.org](mailto:whsattendance@wenatcheeschools.org)
3. Call the attendance office to speak with an attendance secretary at 663-6903.

**\*\*Reminder:** Absences that have already occurred cannot be excused by voicemail.

## Wenatchee Internet Academy (WIA)

Wenatchee High School will again be offering the following courses in an online format this fall: **Health** facilitated by Mr. Blair and **Sports Fitness and Lifetime Fitness** facilitated by Mrs. Jelsing.

The classes will be using the similar curriculum to the traditional face to face class. Register early as some classes are already full. The goal for these offerings is to accommodate responsible students who need to accomplish these classes and leave room for other courses. They are designed for self-directed learners with a high level of responsibility. Take the compatibility survey on the website if you are wondering if online learning is right for you. Students who wish to be part of this program must be self-motivated learners with a minimum of a computer that can access high speed Internet from home. Students may take one additional course above the normal four classes per day. Example, students may have four courses in the school day plus one online (a total of 5 classes per day). For a sixth course or more, a fee of \$150 per semester will be charged and billed from the Wenatchee School District Offices.

Students will use their computers as their classroom for this course and will only be required to show up in person to sign a monthly progress report/contract to be arranged by the instructor. If your student(s) fit this description, are self-motivated, and need to have a free period for one reason or another, wish to start the registration process, or if you simply have questions about the program, please refer first to the WIA website at <http://www.wenatcheeschools.org/whs/wia/> or feel free to contact Ron Brown, WIA Coordinator at (509) 664-3865. You may also e-mail your questions to: [wiaadmin@wenatcheeschools.org](mailto:wiaadmin@wenatcheeschools.org). Please speak to a high school counselor before applying to make sure you are a candidate for online learning.
