

Senior Information

Scholarships ~ Seniors! Scholarship season is upon us, if you have already been notified of College Scholarships and awards that you have received this year, please fill out a Scholarship Notification Form in the counseling office know as soon as possible. Forms will be accepted until Wednesday, May 23rd for recognition at Senior Awards Night and in the Graduation program.

Senior Awards Night will be held Tuesday, May 29th in the WHS Auditorium. Seniors who are receiving recognition at this event will receive an invitation in the mail. This is a special event and we will have many people from the community as guests for this evening, so please dress accordingly. Any questions, please see Sarah Weller in the Counseling office.

Final Transcripts ~ Seniors please fill out a yellow **FINAL TRANSCRIPT REQUEST** form as soon as you know what college, technical program, military or other program you will be attending after graduation. This will insure that your final high school transcript will be sent promptly. The counseling office will be closed at the end of June and requests made after that time will not be processed until mid-August. The yellow form is available in the counseling office.

REGISTRATION PROCESS

(Schedules are created separately for incoming 8th graders)

Registration for the following school year takes place in late winter and early spring. Registration is conducted through the student's Skyward account in late April or May. Essentially, this is a two- step process. **If you have any questions, feel free to contact your student's counselor.**

Step 1 (Requests)

In February and early March, students enter their requested classes into Skyward or Xello (class of 2021 and beyond) during their English, history or science class. Counselors confirm that students request eight classes that they both need and want. At this time, students also request several alternate courses. *Students may adjust these requests by communicating with counseling office staff before Spring Break.*

Step 2 (Registration)

During their registration window **in late April or May, students log into Skyward through their student account, to build their schedule.**

Students must know their Skyward login ID and password to register. This information may be obtained through the counseling office.

Only classes requested in **Step 1** are available for creating a schedule, so students should select requests carefully in **Step 1**. In **Step 2** students see which period their requested classes are offered and build a class schedule. The master schedule will be available online the week prior to registration to assist planning.

During the registration windows, counselors are available each day to assist students.

Counselors check each schedule after the registration window closes to make sure schedules are complete and appropriate.

PLEASE NOTE:

A video explaining the scheduling process will be available on the high school's website prior to the registration windows and will be shown in class.

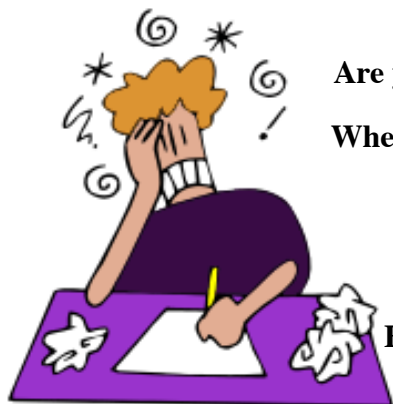

Wenatchee High School does not allow students to request specific teachers.

Students who choose not to create their schedule will have a schedule created for them.

Step3 (Contact Information Changes)

In order to best serve our WHS families, it is important that we have accurate and up-to-date contact information for each student. If we do not have the correct phone number, physical address, and mailing address for your student in our system, you could be missing out on important notifications and information.

Per district policy/procedure 3131, in order to update your student's primary physical address, you must provide us with proof of the new address. Documents that satisfy this requirement of proof include: Utility Bills (water or power) or Mortgage documents and Lease/Rental agreements. Bank or credit card statements, cable and cell phone bills, or court documents cannot be accepted. Proof of address documents must include the physical address and name of the student's primary legal guardian(s). **Please contact the Counseling Office if you need to update your student's address.**

Books into Movies

Thousands of good books have been made into movies. This spring the WHS library is celebrating the influence of literature on the movies with a display that pairs books with their movie dvd. Central to the display are books for movies that will be released in 2018. If you haven't read these books, we encourage you to do so before you see the movie! The library has copies available for check-out.

"The book is the film that takes place in the mind of the reader." - Paulo Coelho

A Wrinkle in Time by Madeleine L'Engle, **Monster** by Walter Dean Myers, **Bel Canto** by Ann Patchett, **The Bell Jar** by Sylvia Plath, **How the Grinch Stole Christmas!** By Dr. Seuss, **Fantastic Beasts** by J.K. Rowling, **Simon vs. the Homo Sapiens Agenda** by Becky Albertalli, **Between Shades of Gray** by Ruta Sepetys, **Ready Player One** by Ernest Cline, **Little Women** by Louisa May Alcott, **Fahrenheit 451** by Ray Bradbury, **The War with Grandpa** by Robert Kimmel Smith, **The Tale of Peter Rabbit** by Beatrix Potter, **To All the Boys I've Loved Before** by Jenny Han, **Where'd You Go Bernadette** by Maria Semple, and **The Guernsey Literary and Potato Peel Pie Society** by Annie Barrows and Mary Ann Shaffer.

"Books and movies are like apples and oranges.
They are both fruit, but they taste completely different."

- Stephen King

Important Update!

Changes to Millerdale Ave coming in April!

Wenatchee High School has been working closely with the City of Wenatchee to make safety improvements to Millerdale Ave. The City of Wenatchee is going to be re-stripping Millerdale Ave to include a center double turn lane and a bike lane. To improve visibility exiting the WHS parking lot and to make room for a bike lane, parking along the South side of Millerdale will be removed (See Picture). The city will be completing this work during the **last two weeks of April**. We appreciate the collaborative efforts of the city to make safety improvements around our campus.
